Space invaders frenzy manual

Space Invaders à Counter Attack Defend Earth! Bring back the retro vibrations in this unique combination of physical and digital gameplay Aim and shoot the physical aliens that advance to attack! Classic arcade sounds mixed with modern LED lights keeps you entertained Space Invaders is considered one of the most influential video games of all time. It helped expand the video game industry from a novelty to a global industry, and ushered in the golden era of arcade video games. It was the inspiration for numerous video games and game designers of different genres, and has been ported and re-released in various ways.
